

## 2022 Tool Dealer Expo Health & Safety Statements

### COVID-19 SAFETY INFORMATION:

With the widespread availability of COVID-19 vaccines, safety protocols continue to evolve as more and more people are vaccinated. Tool Dealer Expo attendees should adhere to current Center for Disease Control (“CDC”) guidance for large gatherings of both vaccinated and non-vaccinated persons. Because COVID-19 remains extremely contagious and is spread primarily from person-to-person contact, the Tool Dealer Expo will be held with preventative measures to reduce potential spread of COVID-19. However, ISN cannot guarantee that its team members, participants, partners, sponsors, exhibitors or others in attendance at the 2022 Tool Dealer will not become exposed or infected with COVID-19. Individuals who fall within any of the categories below should not engage in any conference events on site. By attending the 2022 Tool Dealer Expo on site, you certify that you do not fall into any of the following categories and have complied with the following:

1. Individuals who have tested positive for COVID-19 within the last 5 days or are currently showing COVID-19 symptoms. Any persons who have tested positive for COVID-19 should not attend the conference until symptoms are not being experienced and the individual has obtained a follow-up negative test for COVID-19;
2. Individuals who currently or within the past 5 days have experienced any symptoms associated with COVID-19, which include fever, cough, and shortness of breath among others.

Any ISN customer who finds that they fall into one of the above categories may contact their salesperson directly to change their registration from in-person to proxy and participate in the event via proxy order.

### COVID-19 Safety Acknowledgement

Integrated Supply Network (ISN) is excited to welcome customer, suppliers and teammates for an in-person Tool Dealer Expo event, however the COVID-19 global pandemic is ongoing and ISN wants to ensure that Tool Dealer Expo is a safe event for all attendees and staff. We encourage the following general health and safety considerations to minimize any health and safety issues:

1. Although not required, wearing a face covering at the event that covers your nose and mouth is encouraged. Face coverings will be available at Tool Dealer Expo.
2. Regularly wash hands with soap and water or use hand sanitizer available throughout the Expo areas and provided in attendee bags.
3. Maintain reasonable distance from others in attendance and avoid engaging in any physical contact with other attendees unless there is mutual consent from both parties (i.e. shaking hands, hugging).

**DUTY TO SELF-MONITOR:**

Conference participants agree to self-monitor during the event for signs and symptoms of COVID-19 (symptoms typically include fever, cough, and shortness of breath) and immediately contact ISN staff if he/she test positive for COVID-19 or experiences symptoms of COVID-19 within 14 days after participating on-site at the 2022 Tool Dealer Expo.

**LIABILITY WAIVER AND RELEASE OF CLAIMS:**

By registering and/or attending the 2022 Tool Dealer Expo, I acknowledge that my decision to attend the event in person is personal and voluntary in nature, and in choosing to do so, recognize, assume any and all risks associated with attendance, including exposure to COVID-19.

**RELEASE AND WAIVER:**
