POWER PROBE 3EZ ***POWER PROBE 3 WITH EZ LEARNING & EZ DIAGNOSTICS***

The **Power Probe 3EZ** is a Digital Voltmeter that provides diagnostic power with the flip of a switch. This tool simplifies the testing of fuse boxes, verifies correct operation of motors, lights, relays and wires. This design includes an ergonomic body with a large screen that is capable of flipping 180 degrees for easy viewing in hard to reach spaces.

EZ Learning teaches the user all of the tool's functions, while EZ Diagnostics guides the user through basic electrical testing procedures with embedded QR codes, providing links to clear videos of each test, such as Fuse, Battery, Voltage, Component, Charge, and 5 Volt Reference.

Flexzilla Stationary Air Compressors

• Silencer™ — Flexzilla stationary air compressors include the Silencer, a patent pending noise suppression system that reduces low frequency noise levels. Silencer dissipates compressor intake noise by channeling the air through a series of baffles, reducing dBA levels up to 25%. Note: Every 10 decibels represents a 50% noise change.

Duramax LLY, LBZ, And LMM Injector Puller Kit

- 2005 to 2010 Duramax with LLY, LBZ and LMM engines
- 13300 Duramax diesel injector puller is designed to remove injectors on 2005 to 2010 LLY, LBZ and LMM engines.
- Heavy carbon buildup on the head and injector tip can make the injector difficult to remove. Competative tools don't pull the injector straight increasing friction drag between the injector and head potentially damaging either component. The 13300 puller is designed to pull the injector straight and completely out of the head reducing injector and head damage. The 13300 kit includes all components required to remove the injector in one continous pull reducing component damage and reducing R&R service times.

V-groove along the bottom of the guide allows
for perpendicular alignment with all drill sizes on
round parts and corners
- Precision ground - accurate alignment
- Made from special nickel alloyed
steel that is heat treated for durability.

BGRSTD1000DGNP \$30.19

V-Drill Guide Standard

- 17 drill sizes, 1/8" to 3/8" - 1/64" increments

Pricing Good Through 6/30/20 Quantities Limited

PLEASE NOTE: All prices are subject to change at any time without notice. Due to recent Tariff changes by the U.S. Government, it may be necessary to implement a Force Majeure pricing event on certain products. This advertisement was prepared in advance, therefore, merchandise availability could be limited and is subject to the delivery schedule of the manufacturers. Advertised items may not be stocked by all locations. We are not responsible for typographical, pictorial, or pricing errors.

Products advertised within this publication may contain chemicals known to the State of California under Proposition 65 ("P65") to cause cancer, birth defects or other reproductive harm. Many products are noted with a P65 WARNING; however, the warnings may not apply to all items. Further, as this is a new regulation and all vendors may not have yet identified their products as subject to P65, all items that need a warning may not be noted. Contact the manufacturer for specific details regarding P65. We appreciate your understanding as we navigate these new requirements.

CAUTION: Always wear appropriate safety equipment and observe safety advice and proper use of equipment as instructed in warning and caution labels and operating instructions.
