## ■ what to expect during account set up ■

When setting up an account with ISN, you will be asked a few important questions that will help us complete your application process quickly and efficiently:

1. Your contact information
2. Type of business
3. Business verification (business license, etc.).
4. Name, Address, Phone, E-mail
5. What type of account terms would you prefer?
  - a. Credit Card Terms: (Visa, Mastercard, American Express or Discover).  
This type of terms pays for each invoice transaction in full via your credit card on file.
  - b. Open Account Terms: Standard Net 30-day terms for each invoice  
A Completed credit application is needed to gain approval for open account terms.  
With credit approval this type of account has 30 day terms on each invoice or is due 30 days from the invoice date.
  - c. Other Documents that may be needed: Signed Tax Card (based on state you operate in)

For assistance during the set up process, please contact an ISN Accounts Receivable Team Member: 1-800-394-3044. Once your account is fully set up, you will receive a welcome e-mail from our Accounts Receivable team with your account information, including account number, and credit limit (if applicable).

# ■ experience counts – ISN Sales & Customer Care Teams

ISN is proud to have the strongest Sales and Customer Care Team in the industry.

With over 350 years of collective experience, our Sales team members bring a hard-core, real world viewpoint to the business. With hands-on experience in Automotive Tools and the most in-depth tool knowledge around, customers can count on getting the information they need to make an informed buying decision.

- Our Field Sales, Inside Sales and Customer Service team members have an average tenure of 8 years with ISN
- Our sales team members use sophisticated Business Intelligence (BI) tools
- Quality assurance and reverse logistics
- Complete special-order management systems
- ISN has our own Field Sales Representatives across North America that support their customers in the field. They manage and work with customers like Auto Part Stores, Paint and Body Supply Companies, Industrial Supply Companies, Tool Outfitters and more.
- Our Inside Sales Teams are in place to support many types of customers that do not require the local touch of a field sales rep. Generally, these are Mobile Tool Dealers who manage their own business and fulfill and order products via phone or web and do not need traditional field support.
- Our Customer Service Teams are available via phone or email and can help any customer when they need immediate assistance.
