WARRANTY CARD DESCRIPTIONS

"A" Warranty Code

1 Year – This code is used for an item that has no components included in the item. It is only 1 single item. Example Model #T210

"B" Warranty Code

1 Year – This code is used for an item that has component parts. This is used for items were a part of the item can be returned for warranty; the entire item does not need to be returned. Example Model #7897

<u>"C" Warranty Code</u> 90 Day for Hydraulic – Currently not in use

"D" Warranty Code

"New and Defective Only" since some products are not "consumable" as it were, but obviously cannot be covered by warranty. For example, a mandrel vs a rivet nut.

<u>"E" Warranty Code</u> 90 Day only for Lighting – Currently not in use. Example Model #6320

<u>"F" Warranty Code</u> 90 Day Only

<u>"H" Warranty Code</u> 1 year for Hydraulic

<u>"I" Warranty Code</u> Lifetime Warranty

"J" Warranty Code

Lifetime Warranty for an item that has component parts.
