## MANUALS AND DOWNLOADS

Throughout the years, Milwaukee Electric Tool Corporation has made numerous models of power tools, many of which are still in existence and occasionally are in need of service. Service Parts List Bulletins, Wiring Instructions and Operators Manuals can generally be obtained through this section of our website.

For an Operators Manual, Service Parts List Bulletin and/or Wiring Instruction NOT found here through our website, please contact:

### **Milwaukee's After-Sales Service – Technical Support**

1.800.SAWDUST (1.800.729.3878) or via the [CONTACT US](#) page.

When calling or e-mailing please be sure to include both the Catalog No. / Model No. and Serial Number from the tool's nameplate.

## REGISTRATION AND WARRANTY

When you purchase a Milwaukee tool from an authorized Milwaukee distributor it automatically comes with a warranty, so no worries about registration. We highly recommend that you keep your receipt, as it may help in the determination of your tools age and assessment of warranty.

We have numerous service centers around the country if you ever have troubles with a tool. You can access them via our [eService center](#) or our [service center locator](#). Our factory-trained technicians will provide a quick, convenient solution for all your warranty and maintenance claims.

In Warranty	Out of Warranty
<b>Cost</b>	FREE Repairs or Replacements <a href="#">Download Lightning Max Repair Quotes</a>
<b>Coverage</b>	Products defective in material or workmanship Products outside of warranty period Products within warranty period, but defective due to normal wear/tear and abuse

**Note:**

- Date code of tool will be used to determine if product is within warranty period
- Copy of invoice or bill of sale will assist in the warranty verification process.
- Warranty Registration is not necessary to obtain the applicable warranty on a Milwaukee Tool® product.
